MY FIRST THREESOME

I was a proper prude until my boyfriend opened me up to the pursuit of pleasure with another woman

People sometimes ask me how I got started exploring the wonderland of sexuality. And the odd thing is that I can pinpoint the exact date. I opened myself up to the full exploration of the many variations of sensual pleasure a while ago.

It was my twenty-fifth birthday and the day I first took part in a threesome. Before that date, if I wasn't quite the girl-next-door, I was pretty close to it. My idea of being really wild sexually was going down on my boyfriend Jim. If I think we dated for six months before we had sex.

Even after we started living together, our sex life was pretty much vanilla. Ninety percent of the time, we did it in the missionary position. If Jim had suggested going to a swap party, I probably would have cried or slapped him, or both.

And then one night Jim and I went to the movies. It was a Swedish film and though I've forgotten the title, there was a very brief scene in it of a guy in bed with two women. It wasn't a sexually explicit scene, but it seemed to touch something in my mind. Later that night I asked Jim if he had ever wanted to go to bed with two women at once. He was surprised, to say the least, because I used to be one of those very proper women who always said "penis" instead of "dick" and didn't like to talk about sex.

He smiled tenderly and asked, 'Why, of course. Many times. I think every man thinks about that. Suddenly curious to know more about what went on in Jim's

Jim was out of his clothes and stood over the bed, watching Victoria dive between my legs

sexual imagination, I asked him if he ever envisioned me with another woman. "Frequently," he said, "I picture another woman slurping at your pussy, see you eating her out. It gets me hard just thinking about you doing it with another chick."

Uneasy because this wasn't the type of conversation I was comfortable having, I changed the subject. But the images of a threesome stayed with me, and in the following weeks whenever Jim made love to me, I would visualize him making love to another woman, another woman making love to me and another woman making love to Jim.

As these thoughts grew increasingly vivid, my orgasms became intense. When Jim commented on my new passion, I took the plunge and told him about the women my imagination had placed in our bed. Jim listened intently, but said little other than encouraging me to tell him all about my threesome fantasy.

Jim planned a special celebration for my birthday. We'd always go out to dinner and then to a play or concert I'd been eager to see. For my birthday then Jim had a very special treat in mind.

The evening that changed my life began in a restaurant with superb food and a lushly romantic atmosphere. Lingered over coffee, he told me about my "gift." He had made a date for us to meet a woman named Victoria for a threesome!

I was both astounded and delighted. Almost speechless, I could only mumble, "Who's Victoria?"

"A friend I used to know. You'll like her," he reassured me. As we pulled up in front of Victoria's apartment, I could barely contain my nervousness. But a brand new type of eroticism seemed to be in the very air I breathed. As we took the elevator up to her place, I could actually feel my pussy dampening!

The door of the apartment was opened by a tall and slender woman in stunning black dress. Her strawberry blonde hair was fashionably cut, her makeup flawless, and her whole being seemed to radiate sexuality.

"James, how lovely to see you again after such a long time. And what a pleasure to meet you, Valerie."

The warmth of Victoria's voice was incredibly seductive. All my apprehensions about our getting into a sexual scene vanished as Victoria led us into her living

room and brought us drinks.

During a lull in the conversation, Victoria suggested that I come with her and told Jim to feel free to fix himself another drink. Too sexually aroused to even glance at Jim, I followed Victoria into her bedroom.

The bedroom walls were covered with mirrors, in which Victoria's reflection could be seen from all sides as she slipped out of her dress to stand before me in a black lace bra and panties. At a word of encouragement from Victoria, I took off my skirt and top and stood next to her, gazing into the mirrors at two women about to make love to each other.

When Victoria unhooked her bra, I unhooked mine. Her breasts were small and firm, the nipples tantalizingly dark. She reached out her hand and stroked my breasts, my rosy nipples hardening at her touch. Wordlessly, without taking our eyes off each other, we slipped out of our panties and moved forward into an embrace, her tits pressing against mine, her tangle of thick pubic hair grinding against my crotch.

Victoria's smiling lips grated mine and then wandered down to my trembling neck, murmuring that it was now time to invite Jim to join us. I was startled to realize that I had not thought of him in the last few minutes, so entranced I had been with Victoria.

Victoria told me to get into bed and, slipping a silk robe around her, beautiful body, sailed out of the bedroom, returning a few moments later with Jim in tow. Shedding her robe, she joined me between the cool sheets. Jim was out of his clothes in no time and stood over the bed, watching Victoria dive between my legs. I heard Jim groan with pleasure at the sight in front of him, and then I lost track of everything but the feel of Victoria's talented tongue frolicking on my quivering clit.

Jim had always eaten me as a prelude to straight-out fucking, preferring have me climax with his cock inside of me. But Victoria was not eating me as just foreplay. As her knowing mouth encircled my love button with maddeningly delightful expertise, she provoked me to an orgasm so deeply satisfying that I just had to give her the same pleasure. I threw myself on her lovely body and began kissing her tit-ties, feeling my own nipples harden as hers stiffened against my lips.

Soon Victoria was screaming and writhing in the fulfillment of orgasm.

Out of the corner of my eye, I could see Jim stroking his enormous hard-on. I moved my tongue down the smooth flatness of Victoria's stomach, relishing the way she fluttered like a butterfly in reaction to my touches. Operating from the knowledge of what I liked most to be done to me, my tongue moved its way through the fleshy folds of Victoria's pussy, and my lips eventually searched out her engorged clit was all so new, so exciting—her taste, her smell, the feel of her excited clit against my tongue, her musky love juices pouring down my throat.

My own pussy grew wetter than I could remember it getting in response to her moans. I ate her out feverishly, driven by my own passions, until I felt her thigh muscles tighten and her body convulse, and saw her skin flush and her pussy tremble and throb frantically; I had brought another woman to orgasm!

I was so happy and while Victoria lay on the bed, exhausted from the force of her climax, I motioned Jim to join us and whispered to him that I wanted to see him make love to Victoria. I lay on my back, gently playing with my pussy; watching Jim begin to caress her beautiful body.

Jim took Victoria's small, sexy tits into his manly hands and brought first one nipple, then the other to his sucking lips. The same hands whose touch had always thrilled me now stroked the smoothness of Victoria's inner thighs, almost milky in their whiteness. Jim's fingers moved knowingly into the crevices of Victoria's pussy, where my tongue had been just moments before.

Never before had I seen anything so erotic. I was turned into a lust-crazed lunatic! I couldn't believe my own ears when I heard my voice telling Victoria to suck Jim's cock. Needing no more encouragement, Victoria dove down between Jim's legs, while I watched. Fascinated, as her lovely hair fell all over his crotch and her head moved up and down on his shaft, causing Jim's legs to stiffen and his toes to curl in passion. Wanting to be close to my boyfriend at his incredible moment, I crawled close to Jim and took his hairy balls, heavy with the cum he was about to discharge in my mouth, sucking and tonguing them as Victoria's mouth hungrily fed on his cock. When Jim's strangled cry told me he was about to climax, I put my mouth next to Victoria's and she gen-

erously shared his jism with me.

Almost drugged by the intensity of the sensations we had experienced, Jim and I followed Victoria into her bathroom and stood in her large bathtub while she turned on the shower. Under the soothing spray of the water, our bodies revived.

Soon the three of us were playfully soaping and scrubbing each other. After that refreshing interlude, we returned to bed. While drinking wine and chatting casually, Victoria began to lightly stroke Jim's cock with one hand and to fondle my breast with the other. Watching Jim's cock harden made me wet all over again.

My hand started to caress my pussy as Jim mounted Victoria and slid his hard cock into her. As my fingers gently rubbed my engorged clit, I watched Jim's ass moving as he thrust deep into Victoria's pussy. I watched delighted as she wrapped her long, lovely legs around him, gasping with passion, arching her body to meet his thrusts and take every last inch of him deep inside her.

Soon Victoria was screaming and writhing in the fulfillment of orgasm. But Jim didn't come along with her. Instead, he waited until the spasms in her pussy subsided, and then gently removed his hard cock from her and climbed urgently on top of me. Clasping his ass cheeks with my hands, I moved with him in a blissful rhythm of loving fucking.

All other thoughts vanished from my mind. There was only Jim's beautiful cock sawing in and out of my super-charged pussy. My senses seemed refreshed; his fucking felt so good it was like we were doing it for the very first time. As his thrusts grew harder and faster, I gave myself over to an overwhelming orgasm.

My pulsing pussy muscles clasped Jim's cock in a viselike grip, not letting go until he shot his huge wad of cum deep inside me. As we lay together, his cock still embedded in my pussy, Jim whispered in my ear, "Happy birthday, honey."

Whenever I look back on that birthday celebration, I still can savor the memory of Jim caressing Victoria. I still can remember her taste, her smell, the feel of her tit in my hand, and the touch of her clit against my lapping tongue.

That birthday night opened me up to the world of sexual experimentation. Since then, I've gone where my desires directed me. And I've never regretted it.

Most people may think my tits are my best feature, or think that I think so, but I think my best asset, not to sound corny, is my mind. It's the driving sexual organ, and your mouth, pussy, boobs and ass cannot feel any excitement without it being excited first. I have to be in the mood for sex, even when I have to perform. I have to get my mind in gear and let it run wild. And I do. But between you and me, my boobs *are* pretty nice.

The Seduction of Sammy

If my pussy hadn't been on fire, Sammy would have looked pretty ridiculous sitting in the middle of my sofa with his pants and underwear around his ankles. At the time, he was a virgin, but I was doing my best to cure that. A hard dick was exactly what I needed, without a hard time.

His was the first dick I'd touched in the year since my divorce. My ex-husband had an ego bigger than all outdoors, but he was a fantastic lover who really knew how to make my pussy purr. I still tingle at the thought of his hot mouth and hot cock working on my pussy.

Sammy is so shy that he blushes at even a dirty joke—and he gets lots of opportunities to hear them while he delivers the sandwiches around my office. Even though he's at least 10 years younger than I am, I never had the urge to mother him. On the contrary, it excites me to flirt with him and watch his face redden because he is adorable when he's embarrassed. Every time it happens, I have the urge to pull him into my arms and smother him with my big old tits. I often imagined shoving a tit in his mouth just to see his reaction.

I never actually intended to seduce him, but after I slipped up behind him and kissed him on the neck, my little kiss shook him so badly that he dropped two cups of coffee and a pastrami sandwich. He immediately stooped to clean up the mess. That's when I spotted the tremendous lump in his pants and getting into them became an obsession.

His dick stood straight out from his body, making a tent of his baggy pants. My pussy began drooling for the first time since the divorce. It was hungry for hot cock—Sammy's hot cock.

Somehow, I was going to get into the innocent young man's pants. The "Hey Babe, let's fuck" routine was definitely out. I didn't want to frighten him away. He was a lamb and I

had to lead him to the slaughter. Phase one of my plan was to touch his cock. I had to be very discreet so none of the other girls in the office caught on. If they had, they would have teased Sammy unmercifully, maybe even scared him off.

My plan was simple. All I had to do was catch him in the stairwell. None of the girls ever used the stairs. It was below their dignity, so the stairwell was always deserted. Sammy always used it as a short cut between floors. So, as soon as I spotted him making his rounds, I slipped into the stairwell and waited. Five minutes later, I heard Sammy coming up the stairs.

I was sitting on the landing between floors with my shoe in my hand. My legs were crossed in such a way that he would have a clear view of my pussy. The panties that I had on were very sheer. My pussy was dripping even before he rounded the corner and stopped dead in his tracks. His head was level with my near-naked pussy. He stared so hard that I could feel the heat from his eyes as they zoomed in on my juicy target.

"Are you okay, Miss Sanders?" he asked. His eyes didn't leave my cunt for a second.

"I guess so," I purred in my sexiest voice as I opened my legs a little wider. "High heels and stairs don't go well together," I added, for effect. "Do you think my ankle is swollen?" I whispered as I rubbed my hands slowly around on my bare leg. He took the bait, hook, line and sinker. He came nearer and knelt, just like I wanted him to.

I lifted my leg and put it across his lap as he knelt there. He put his hands on my ankle and touched it as though it might break. My skirt crawled even higher up my legs. My pussy was practically exposed, a fact that he quickly realized. His eyes were riveted to my tingling cunt.

As he squatted there, it was easy to see that his dick was

even harder than the day before. I moved my foot so that the bottom of it rested against his dick. It jumped under my touch. He blushed and beads of sweat appeared on his upper lip, but he made no effort to stop me. He liked my toes on his dick as much as I did. I was ready to come in my panties.

Before long, he was huffing and puffing like a steam engine as I jerked him off with my foot. I had to fight the urge to pull his face between my legs and teach him to eat pussy. But, I knew that I had to take it one step at a time if I wanted to ever feel his virgin dick in my pussy.

I forgot how excitable a younger guy can be until it was too late. Suddenly, he groaned and pushed his cock hard against my foot. I felt it throb as a wet spot appeared at the front of his pants. Watching him come in his pants sent a tidal wave

believable. The remainder of the week dragged by. I was constantly horny. Every time I was alone my fingers wound up between my legs. But it wasn't enough. I craved cock.

At exactly 10 the doorbell rang. I was so horny that I wondered if I would be able to pull it off without giving in to the urge to throw him to the floor and attacking him.

When I opened the door, there was Sammy, with a shy grin on his face and a stack of aquarium books under his arm. I let him in and led him over to the sofa. He spread the books on the coffee table while I went to the kitchen for a couple of cool drinks.

I dressed with great care that morning. I didn't have on panties or bra. I didn't want anything to slow down the action once I got him going. The aquarium books were the perfect

of pleasure from my pussy and over my entire body. As soon as we finished coming, I let him put my shoe back on my foot and help me stand. I made sure that I brushed my tits against him as I did. He self-consciously tried to hide the wet spot in the front of his pants and took off as soon as he decided that I was okay.

By the time he made the rest of his deliveries that day, the coffee was cold. I heard a few of the girls really giving him hell. I secretly hoped he thought it was worth it. I know it was for me. I was more determined than ever to have him.

However, the session in the stairwell only served to whet my appetite. I had to find a way to get him alone. I knew that my apartment would be the perfect place, but didn't know how to get him there. Almost a week passed before I found the right excuse. I overheard Sammy talking about his aquarium with one of the other girls. That afternoon, I cornered him in the hall and told him that I had a new aquarium in my apartment but knew nothing about setting it up. He immediately offered to come by and show me.

We set it up for the following Saturday. I went out that evening and bought some aquarium stuff to make my story

prop. He held them in his lap while he rattled on about exotic fish. All I had to do was slip my hand under the book as though I was helping him support it and the back of my hand was against his cock.

He squirmed a little, but didn't try to make me move it. I felt like screaming as I felt his cock grow under my hand. He did his best to keep his mind on the books, but it was a losing battle. He continually lost his place and had to repeat himself. Even when he changed books, I left my hand in his lap. I turned it palm down and began gently squeezing it. His voice cracked, and he began breathing heavy, but he tried his best to continue talking about fish.

Finally, I pulled down his zipper and reached into his pants. I had no trouble locating my target. It was standing tall. He moaned and closed his eyes as I pulled the throbbing flesh into the open. The book slipped from his lap and crashed to the floor. He made no effort to pick it up. By that time, even shy Sammy knew that he was going to get fucked.

He sat there with his eyes closed and bit his lip as he shook all over. I wrapped my fingers around the shaft of his cock and gently stroked the big pole. A tiny drop of pre-cum oozed from the tip. I held his cock like a giant ice cream cone

and licked the sweet thick syrup from the tip. Sammy groaned and shoved his hips upward at my open mouth. I was careful not to let him come. I figured he was young enough to do it more than once, but I wanted the first time to really blow his mind.

So, I left his cock alone and began unbuttoning my blouse. His eyes were bigger than saucers as he watched my boobs appear. He gingerly reached out to touch them, as if he was afraid they might bite him. Then once he had his hands on my tits, he treated them like fine china. I put my hands on top of his and helped him give my sensitive tits a good hard squeeze. Then I rolled one of my nipples between two fingers, showing him exactly what I wanted him to do.

He was a quick study. Not only did he tweak my nipples exactly the way I liked best, but before long he was doing it with his mouth. He practically had me ready to come as he sucked madly on my tits.

But, I had other ideas of where

crotch. He dove in like a hungry man eating his last meal. I rested my legs on his broad shoulders and shook all over as he let his tongue slither up and down my dripping slit.

I think he would have licked my pussy all day if I'd let him, but his hot tongue soon had my cunt screaming for cock.

"Now, Sammy," I moaned, almost out of my mind with lust. "I want you to fuck me. Make me come. Fill me with your cum." They were words that I'd never spoken to a man in my life, not even my husband. But, I was so hot that I felt like I might explode if he didn't shove his dick into me soon.

He moved between my legs and pointed the bulging head of his cock at my juicy slit. I grabbed the throbbing pole and teased my swollen clit for a second before I shoved it into

my hungry hole. He didn't have to shove his dick into me; I sucked the throbbing tool into my twat. He moaned and began humping in and out like a madman.

It's a good thing that I was already at the boiling point, because

his mouth would feel best. When I lifted my hips off of the sofa and pushed my pants down, he looked like he might faint.

After I kicked my pants across the room, I left my legs spread, giving him a good look at my wet and ready pussy. Sammy sat like a statue, unsure of what to do next. I took his hand and placed it between my legs. "Don't be frightened," I assured him, as I felt his finger slip into my slippery channel. My hips humped automatically against his probing digit. I reached down and rubbed my clit while he rammed a finger in and out of my steaming cunt. Before I realized what was happening, my first orgasm hit me like a runaway freight train. I locked my legs around his hand and fucked his finger for all I was worth.

By the time I stopped coming, he was more confused than ever. So I took his hand, still covered with my pussy juices and put it to his lips. He stuck out his tongue and tasted it. Then he grinned and licked his finger clean. "There's more where that came from," I purred, as I nudged his head toward my

he lasted less than six strokes before he bathed my cunt with his cream. It was hypersensitive. Each spurt of jism set off an explosion in my body as it blasted against my clutching tunnel. He filled my pussy to overflowing. I took all he had and still couldn't stop coming.

He left his big dick deep in my pussy until at last I stopped trembling. When I opened my eyes, Sammy was looking down at me and grinning from ear to ear. The word STUD was written all over his face.

I kissed his lips and tasted the remaining juice from my pussy. Even after the wild sex, the kiss made him blush. I put my hands behind his head and crushed my lips against his. His cock began to swell in my pussy. Before that kiss ended, he had again filled my thirsty twat with his sweet seed.

He stayed all afternoon. By the time he left, I could hardly walk, but I was more satisfied that I'd been in my entire life. Oh, and next week Sammy is going to help populate my aquarium...

MARIA

‘Do I like it gentle or rough?’ I’ve been asked a lot. I believe there’s a time and place for each one. When my ass is getting fucked, I want it to start out gentle; then it can roughen up a bit, but never too much because it’s too sensitive a place to have anything bad happen back there. I do like to be a bit rough when I’m giving head, but my hot little pussy likes it both ways.
